Traffic Management, Speed Limits
NYCC
County Hall
Northallerton
DL7 8AH

Dear Sir/Madam,

Since the detrunking of the A65 and the increase in traffic accessing the road on our stretch in recent times, the parish council would like to draw your attention to its long-standing request for a Speed Limit here, of which you may not have been aware. For many years councillors have been more and more concerned with safety issues and would appreciate the opportunity to discuss the matter with your officers.

All of our residents and visitors entering the road from Masongill and Gale Green, Higher Westhouse, Lower Westhouse and Thornton, must come on at very tricky points. Slowing, turning, being overtaken by other drivers unfamiliar with the vagaries of this stretch can be very frightening. Excess speed has led to many serious near-accidents.

Hoping for an early reply to this enquiry,

Yours faithfully,

Christine Jenkinson, clerk.
