Crime Prevention - Christmas & New Year

Protect your home, leave a light on

The darker nights are well and truly here, and this can catch residents out when it comes to home security. Too often, householders are making their properties an attractive proposition for burglars and thieves by leaving them in darkness.

However, a few simple steps are all it takes to counter this risk - and this is where the police can help."

\* a well-lit home gives the impression that someone is in

\* use timer switchers to turn lights on while you are out

\* don't leave curtains closed during the day, only in the evening and overnight

\* lock all windows and doors

\* keep valuable items out of view

\* keep gates well secured

Light up, Lock up

How to report speeding concerns - Speed Management Protocol
